Dear Mr. [REDACTED]

HEALTHSOURCE PRODUCTS

I write to confirm that the family of DURITEX products under your Joint Venture with TILLER CAPITAL has been presented to all applicable Government Agencies, and in particular the Veterans Administration, through the SMART PROGRAM, and have been well received and approved as part of the "Back to the US" manufacturing enterprise designed to make the US self-sufficient in all Healthcare related products by early 2022. You will be notified of next steps within the next two weeks.

We look forward to working with you.

Best regards,

Anthony N. Georgiou
Chairman
